

CANDYFIELDS MATERNITY
www.candyfieldsphotography.com

- Always start posing from the feet
- Direct gaze by using one of **the three** - see gaze posing rules
- Lift or drop shoulder slightly for change of mood
- Place arms across breasts covering nipples with forearm and wrists by “cuddling yourself”
- Kick bottom out to one side or arch her back if shooting in profile
- Position front foot on tip toe

NUDE
POSITION TWO
